

Welcome!

Ms. Walczak

DO NOW:

- **Sit anywhere for now.** You will be assigned to a new group today!
- If you finished your **homework (Who I Am is due today)**, **turn it in** to the bin on Ms. Walczak's desk.
- Make sure you have a **colored writing utensil** - markers and highlighters are on the side table.

Homework: Learner Information Sheet - due Friday
What is Math Worksheet - due Monday

Essential Question: What are my classmates' names?

Due Monday

Name _____

What Is Mathematics? What Do Mathematicians Do?

1. What is the definition of "Mathematics"? Do not look up the definition – write what you think in your own words

2. Ask two other people (that aren't RIHS students) what their definition of mathematics is.
 - a. Person 1 Name:

Person 1 Definition:

 - b. Person 2 Name:

In your groups:

- Everyone will be working off one sheet of paper
- Each person in the group needs a different color marker/highlighter

I'm going to set the timer for 3 minutes.

When I say "Go", you will turn over your paper and try to circle/highlight all the numbers from 1-100 in order (1, 2, 3, ..., 100).

You are trying to get as many circled/highlighted as you can.
