

Name: _____

Tin Man Reflection

Please answer each question thoughtfully and give details. Each answer (except #1) should be written in complete sentences.

The Tin Man

1. List the formulas you used to calculate the surface area of your tin man.

2. What was the hardest shape to measure and why?

3. Why did Ms. Walczak divide the total measurement by 30.5 when she measured out the tin foil?

4. Did you have enough foil to cover your entire tin man? Why or why not?

The Process

5. What was the most confusing part of the process?

6. Is there a better way I could do this project next time?

Name: _____

Tin Man Reflection

7. Is there anything we need to add to make our tin man even better?

The Partner

8. Did you and your partner(s) work well together? Explain.

9. How much effort did you put into this project?

10. If you had to give yourself a grade on this project, what grade would it be and why?

11. If you had to give your partner(s) a grade on this project, what grade would it be and why?
